RE: ICANN83 Prague GAC Communiqué

Dear Nicolas Caballero,

I am writing to acknowledge receipt of the [ICANN83 Prague GAC Communiqué](#). As mentioned in the [ICANN Board and GAC Meeting](#) on 10 June 2025, the Board would like to thank the GAC for an informative exchange of ideas and input received concerning several topics impacting the community. We appreciate the GAC's dedication in producing this Communiqué.

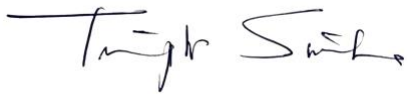

The Board notes that the ICANN83 Prague Communiqué contains:

- One matter of Consensus Advice, which covers Policy Development related to DNS Abuse
- Ten “issues of importance”, which cover topics such as Domain Name Registration Data, DNS Abuse, the Next Round of New gTLDs, Governance of the Regional Internet Registries, Community Statements of Interest, and the Deferral of the Fourth ICANN Accountability and Transparency Review

As is customary, a meeting between the Board and the GAC will be scheduled in the near future to discuss the ICANN83 Prague Communiqué.

The Board thanks the GAC again for its efforts in producing the Communiqué, and we look forward to discussing it with you at our next meeting.

Sincerely,

Tripti Sinha
Chair, ICANN Board of Directors
