

Governmental Advisory Committee

20 June 2014

Ms. Naama Hening,
Director, International Affairs Division
Ministry of Communications
External Affairs Division
State of Israel

Dear Ms. Hening,

Thank you for submitting an expression of interest from the State of Israel to join the Governmental Advisory Committee (GAC) at the Internet Corporation for Assigned Names and Numbers (ICANN). On behalf of the GAC, I welcome Ms. Dina Beer as the appointed representative and Mr. Yuval Zantkeren as the alternate representative to the Committee.

The participation of the State of Israel in the GAC will certainly contribute to full discussion of current public policy issues of considerable importance related to the DNS – and the transition of the NTIA's stewardship of the IANA functions, the review of ICANN's accountability and the evolution of the GAC.

I look forward to meeting the State of Israel's new representation at the next GAC meeting, which will take place in London, United Kingdom from 21st to 26th June 2014.

For further information regarding the GAC please visit the GAC website at <http://gac.icann.org>.

I remain at your disposal. If you have any logistical questions concerning the GAC, please address them to the GAC Secretariat at gacsec@gac.icann.org.

Best regards,
