

Governmental Advisory Committee

20 June 2014

Dr. Frederick B. Norkeh
Minister of Posts and Telecommunications
Liberia

Dear Dr. Nokeh,

Thank you for submitting an expression of interest from Liberia to join the Governmental Advisory Committee (GAC) at the Internet Corporation for Assigned Names and Numbers (ICANN). On behalf of the GAC, I welcome Mr. Jerry M. Cephas as the appointed representative to the Committee.

Liberia's participation in the GAC will certainly contribute to full discussion of current public policy issues of considerable importance related to the DNS – and the transition of the NTIA's stewardship of the IANA functions, the review of ICANN's accountability and the evolution of the GAC.

I look forward to meeting the Liberia's new representative at the next GAC meeting, which will take place in London, United Kingdom from 21st to 26th June 2014.

For further information regarding the GAC please visit the GAC website at <http://gac.icann.org>.

I remain at your disposal. If you have any logistical questions concerning the GAC, please address them to the GAC Secretariat at gacsec@gac.icann.org.

Best regards,
