

Governmental Advisory Committee

01 October 2014

Minister James Fletcher
Ministry of the Public Service, Information and Broadcasting
Graham Louisy Administrative Building,
2nd Floor, Waterfront, Castries,
Saint Lucia, W.I.

Dear Minister Fletcher,

Thank you for submitting an expression of interest from Saint Lucia to join the Governmental Advisory Committee (GAC) at the Internet Corporation for Assigned Names and Numbers (ICANN). On behalf of the GAC, I welcome Mr. Philip Dalsou as the appointed representative and Dr. Cletus Bertin as the alternate representative for Saint Lucia to the Committee.

Saint Lucia's participation in the GAC will certainly contribute to a full discussion and addressing of current public policy issues of considerable importance - such as the transition of the NTIA's stewardship of the IANA functions, the review of ICANN's accountability and the evolution of the GAC.

I look forward to meeting Saint Lucia's new representation at the next GAC meeting, which will take place in Los Angeles, United States from 11th to 16th October 2014.

For further information regarding the GAC please visit the GAC website at <http://gac.icann.org>.

I remain at your disposal. If you have any logistical questions concerning the GAC, please address them to the GAC Secretariat at gacsec@gac.icann.org.

Best regards,
