
Agenda Item 30: Daily Overview of GAC Sessions

Issue

This session is to enable the GAC to review its work for the rest of the day and plan accordingly.

GAC Action Required

Note information and updates from GAC leadership, secretariat and support staff on scheduled sessions for that day.

Review developments and priorities and agree on changes or other actions where appropriate.

Current Position

The GAC schedule has been distributed to GAC members and is available on the [GAC website](#).

The ICANN 63 meeting schedule is available [here](#).
