Informal Board/GAC Dialogue on Release of 2-char codes at the 2nd level

On Substance

- Of concern to many GAC members
  - Not being automatically notified prior to any release, as per the previous system
  - Not having a say in this release
  $\Rightarrow$How to address

On Process

- Of concern to wider GAC members
  - GAC Advice has been accepted but not followed in practice
  $\Rightarrow$Make sure we have same interpretation
  $\Rightarrow$How to address
  $\Rightarrow$How to make sure we do not run again into a similar situation (may be a BGRI issue)
