Session Objective (GAC Chair)

- This session will serve as an “open” period where **individuals from different constituencies across the ICANN community** are invited to **"take the mic"** to present questions or comments to the GAC.
- The GAC will be in **"listening" mode** during this session and may then reflect on any particular points raised in a subsequent session at ICANN82 or at a future ICANN Public Meeting.
- Individuals who previously submitted an “Open Mic” request form will be invited to speak first.
- Others in the room are invited to approach the microphone. Remote participants are invited to raise their hands in the Zoom room.
- ***Sign-up speakers are invited to speak first to start-off the session.***
