Law Enforcement Authentication

- Building a secure and user-friendly platform to enhance Law Enforcement ability to collaborate, share information and access specialized tools and applications.
 - Improve response to global threats
 - Enhance operational efficiency
 - Strengthen collaboration & data sharing
 - Simplify access to specialized applications
 - Ensure security of sensitive data
- Leverage established network of 196 Member Countries, Sub-Bureaus, Regional Bureaus and International Partners.
- Strict guidelines through Point of Contact (National Central Bureaus) who are governed by the Constitution, Rules for the Processing of Data, General Assembly, and must respect the UN Declaration of Human Rights.
