

GAC IGO List For Protection in new gTLDs - Remove Form

The IGO list for protection in new gTLDs was created by the GAC in consultation with the ICANN Board in 2013, to be maintained by the GAC to enable the protection of IGO identifiers at the second level in new gTLDs.

The IGO List for Protection in new gTLDs is maintained by the GAC, and is administered by the ICANN organization ("ICANN org").

By submitting your contact information on this form, you agree that your personal data will be processed in accordance with the ICANN [Privacy Policy](#), and agree to abide by the website [Terms of Service](#).

To remove a name or acronym to the IGO List for Protection in new gTLDs, please complete this form and return to the GAC Chair at gac-leadership@icann.org.
