Entity/Applicant Name: Chrysler Group LLC.
String: ram
Early Warning Issue Date: 20 November 2012

Early Warning Description – This will be posted publicly:

Chrysler Group LLC is seeking to have exclusive use of the gTLD ‘ram’. RAM is a Deity worshiped in India and recognized globally as a widely worshiped God/Lord.

Reason/Rationale for the Warning – This will be posted publicly:

Ram is a deity worshipped in India, in the Hindu religion, with a large following. Ram is worshipped as a Hindu God and is the hero of one of the great epics of the country (India) – Ramayana – which is a globally famous work.

Under Indian Trade Mark Act Section 9(2) clearly mentions that a mark shall not be registered if it contains or comprises of any matter likely to hurt the religion susceptibilities of any class or section of the citizens of India.

As a result, and based on the provisions of the Indian Trade Mark Act, we believe that the gTLD string “ram” should be set aside by ICANN.
Possible Remediation steps for Applicant – This will be posted publicly:

1. The applicant should show how they will alleviate the religious and social issues that might arise from either the exclusive control of the name of an important deity by a corporation.
2. The applicant should demonstrate how they will ensure that names in the “.ram” gtld will not be abused by registrants, and will remain sensitive to the religious issues in the Hindu religion.
